Races are not supposed to be annotated.

1) "Sackville Bagginses"

¾ marked as B-PER / I-PER.

Refers to people.

2) "Hobbit"

Nothing. Exclude races

3) "Old Took"

Mark both as PER as Old is capitalized.

Nickname

4) "the Shire"

B-LOC

Dont include "the" unless its capitalized.

5) "The Ivy Bush"

B-LOC, I-LOC, I-LOC

Include "The" as B-LOC due to capitalization
6) "Bywater road"

B-LOC, I-LOC

Include both as "Bywater" and "Bywater road" are different things.

7) "Number 3 Bagshot Row"

Include "Number" as B-LOC

8) "gentlehobbit", "

Ignore race.

9) "Brandy bucks"

B-PER, I-PER

10) "hobbit

Skip race.

11) "Bucklanders"

B-PER

12) "Brandy Hall"

B-LOC, I-LOC

13) "Master Garbadoc"

Ignore Master as its a title. So only Garbadoc= B-PER
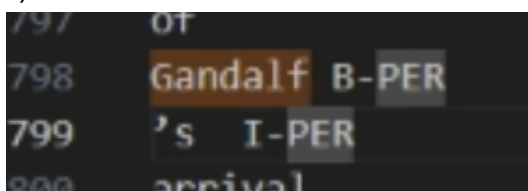

PART 2:

1)

"Bywater post office" is a LOCATION

2)

Correction: If a token gets separated, make it one token.

In this case → Gandalf's (1 token)

3)

Not specific; NOT a LOCATION.

Example: "Bilbo's House"

B-PER

4) "inn" , "eating house"

Not specific.

Correction: O

5) "...throughout the district.."

Not specific, "district" by itself could refer to a lot of districts.

If it was "the district of copenhagen", it would be LOC.
